**Release Date:** September 3, 2008

### **Giant Cactus and Succulent Sale and Orange County Cactus and Succulent Society Show at the Fullerton Arboretum, December 5, 6 & 7, 2008**

(Fullerton, CA) – The Potting Shed at the Fullerton Arboretum will be partnering with the Orange County Cactus and Succulent Society (OCCSS) to present the fourth annual Cactus and Succulent Show and Sale on December 5, 6 & 7, featuring thousands of unusual and hard-to-find cacti, succulents and Hoyas. Each year this show and sale has become larger and this year is no exception; more vendors will participate in this event than last year--offering a virtual unlimited selection of cactus and succulents for sale.

Hours for this special sale and show are 10:00 a.m. to 4:00 p.m. all three days; admission is free. Memberships will be available at the door.

Cactus and succulent lovers are encouraged to visit the Orange County Cactus and Succulent Society Show free of charge, which will be held on December 6 & 7, from 10:00 am to 4:00 pm. This show promises to offer collectors, shoppers and interested visitors

everything they could ever expected in terms of genus, species, and varieties of cactus and succulents. Experts will be on-hand to answer questions all three days.

This is the 32nd OCCSS Annual Show and Sale presenting rare and unusual cacti and other plants from xeric or desert regions throughout the world. The Arboretum has been their home since 1998, and for the 4th year, this sale will be a collaboration between The Potting Shed and OCCSS. The emphasis of the OCCSS show this year will be on winter/blooming plants that are at their peak during the short days and rarely seen at summer shows and sales. Shoppers and other guests are encouraged to wander the exhibits, meet with members, ask questions, get growing tips, and purchase plants from the sales area. For additional information about OCCSS or the Show, please visit [www.OCCSS.org](http://www.OCCSS.org).

The Fullerton Arboretum is adjacent to the CSUF campus one block west of the 57 freeway at Yorba Linda Blvd. and Associated Road; parking is free. For further information, contact the Fullerton Arboretum at (714) 278-3407 or visit our website at [www.fullertonarboretum.org](http://www.fullertonarboretum.org).

**About the OCCSS:** The OCCSS is the local affiliate club of the Cactus and Succulent Society of America. The monthly meetings bring together people interested in growing cactus and succulents to share information, growing tips, and exchange plants. Guest speakers describe their world wide travels exploring plants in natural habitats. They also sponsor field trips to places of interest including private and public gardens, local deserts, specialty cactus and succulent nurseries. For additional information and a calendar, visit [www.occss.org](http://www.occss.org).
