Release Date: August 20, 2008

Fullerton Arboretum's 5th Annual Haunted Garden Friday October 24 & Saturday October 25

(Fullerton, CA) The spirit of Halloween is alive in the Haunted Garden at the Fullerton Arboretum on the evenings of October 24 & 25 2008. The tours for this popular event begin at 6:30 pm both nights, with the last scheduled tour departing at 9:15 pm.

Bats and bullfrogs, vampires and vermin, ghosts, ghouls and goblins, everything that goes "Bump" in the night is lurking along hidden trails. Count Dracula's vampires will guide you down the garden paths into the deciduous forest where you will witness what it is like when the cemeteries come alive and the witches, skeletons and ghouls come out to play. After a spooky trip through our creepy garden paths, visitors will be greeted at the Haunter's Ball with a "treat" and Halloween fun.

For the younger Halloween fans, the Haunted Garden will feature a Children's Party on Saturday, October 25th from 1:00- 3:00 pm, for children 3-6 years of age. The afternoon will include a costume parade, pumpkin patch tours, crafts, games, refreshments and a few

surprises. The cost for the afternoon is \$6.00 per child. Children must be accompanied by at least one adult and there is no charge for the adult.

Pre-paid admission and reservations are highly encouraged and are available from September 1 to October 20th. Your reservation gives you a priority spot in line at your assigned time. Children 12 and under are \$6 (*may not be appropriate for children under 5*); teens and adults cost is \$10. Admission at the door is \$10 per child and \$15 per adult, if space is available. Space is limited and reservations can be made by calling the Haunted Hotline at 714.278.4002 or online at www.fullertonarboretum.org .

All reservations made by mail must include a check payable to "Friends of the Fullerton Arboretum" and must be postmarked by October 18, 2008. Tickets will be held at "Will Call" the evening of the event. Haunted Garden tours will last approximately 30-40 minutes and are led by Arboretum tour guides.
