-----------------	--------------

Equipment Rentals

Create-A-Party	714-996-3805
----------------	--------------

***Important Pointers**

- 1. Make sure and hire a DJ that has good Master of Ceremony skills so that your reception moves along smoothly**
- 2. Make sure to get in writing that your caterer will be staying to clean up your reception area.**
- 3. Do not attempt to set up and take down tables and chairs yourselves to save set up fee. (I have seen grown men in tuxedos cry because of this oversight.)**
